You have the chance to make a positive impact on the lives of young people and our future workforce.

Join us to help change views, shape opportunities and make a difference to young people looking for employment.

Through this exciting interactive and informative event you will have the opportunity to:-

★ Fill roles within your organisation (including apprenticeships)

★ Find out about the benefits of employing young people

★ Improve loyalty/retention by understanding additional support young people might need

★ Learn about support that is available to help you recruit young people.
