1

Housekeeping

This session is being recorded, the recording, slides and additional resource file will be shared with you after the session.

Please keep microphones on mute, if you are struggling with bandwidth you may find turning your camera off helps.

The team is on hand to support with technical issues or questions in the chat function.

A Q&A session will take place at the end of the presentation.

2

Who we are

Experts in youth employment

Youth Employment UK is a not-for-profit social enterprise actively tackling youth unemployment. We are experts in youth employment.

Our expertise, services and advice is centred around what young people tell us they are experiencing, what they want and need.

We understand the root causes of youth unemployment, what works and what doesn't.

Youth Voice Census 2021

Our core aims :

- Giving young people a voice on the youth employment issues that affect them
- Support young people on their journey to employment with a range of skills and careers support
- Support organisations to develop and be recognised for their youth friendly employment practice and connecting young people to those Youth Friendly Employers
- Providing expert insight across all youth employment policy areas

Creative And Design Career Guide

Creative and design jobs... did you know?

From creating an unforgettable viral ad campaign to designing a logo with the visual power of the Mac Apple and the simplicity of the Nike swoosh, your creative eye will shape how we view the future. Technology, entertainment and products and services may change, but creative people will always be needed to help us appreciate what we see and imagine the possibilities. If life is a camera, you're the filter!

HOT RIGHT NOW: Creative and design jobs to get you started

Here are just a few ways to take your first or next step into a creative or design-driven career. People with all kinds of interests and backgrounds are needed to make us love what we see around us.

Graphic Designer

Journalist

Camera Operator

Career guides cover:

- What skills and qualifications will help you?
- How to build skills & experience from school onwards?
- How can you impress employers when applying?
- How can you get into the job via traineeships, apprenticeships, early careers, college or uni?
- How can you find out more with UK job trends?
