# Housekeeping

This session is being recorded, the recording, slides and additional resource file will be shared with you after the session.

Please keep microphones on mute, if you are struggling with bandwidth you may find turning your camera off helps.

The team is on hand to support with technical issues or questions in the chat function.

A Q&A session will take place at the end of the presentation.

# Who we are

## Experts in youth employment

Youth Employment UK is a not-for-profit social enterprise actively tackling youth unemployment. We are experts in youth employment.

Our expertise, services and advice is centred around what young people tell us they are experiencing, what they want and need.

We understand the root causes of youth unemployment, what works and what doesn't.

**Youth Voice Census 2022**

## Our core aims :

- Giving young people a voice on the youth employment issues that affect them
- Support young people on their journey to employment with a range of skills and careers support
- Support organisations to develop and be recognised for their youth friendly employment practice and connecting young people to those Youth Friendly Employers
- Providing expert insight across all youth employment policy areas

# Youth Voice Census 2022

This national online survey enables students and learners to have their say by 31st May. Students and young people aged 11-30 in the UK are invited to share their experiences of life, study and work.

**Teacher resources to download include posters and social messaging – please help to spread the word!**
