Dear xxx,

Youth unemployment is an issue that I am concerned about from a local and national perspective. To promote youth employment and highlight its importance, Youth Employment UK will be hosting a **Youth Friendly MP Event**, where you can show your commitment to supporting young people in achieving their potential. I hope that as my constituency MP you will be able to attend the event and show young people in our area your commitment to work for their interest.

The Youth Friendly MP Event will be taking place on **Wednesday 5th July 2023, from 1-3pm in Room T, Portcullis House**. You are welcome to drop-in across the two hours and meet Youth Employment UK's Youth Ambassadors, hear more about the challenges facing young people on their journey to employment and how you can support young people and youth employment in your constituency.

The Youth Friendly MP Event forms part of the ongoing campaign to support young people into employment and achieve their potential, and is taking place during Youth Employment UK's national **Youth Employment Week**, which is running 3rd-7th July 2023.

I would appreciate your attendance to the Youth Friendly MP Event, where you will be able to discuss and gain key insight into youth employment.

Kind Regards,  
xxxx
